Skilled in JavaScript, React.js, Vue.js, Vuex, Redux, TypeScript, Storybook, CSS and CSS Animation, SCSS, GSAP GreenSock, MongoDB, Figma, Interaction Design, 2D 3D Animation.

Experience

2023 - Present — **Frontend Developer** — Minute Media, Tel Aviv

2020 - 2023 — **Frontend Developer** — Namogoo, Herzliya
- Worked with a team to develop the front end for a new web application
- Collaborated closely with UX designers and back-end developers to translate wireframes and prototypes into functional, user-friendly interfaces. Utilized CSS preprocessors to streamline styling workflows and ensure consistency across different pages.
- Developed well-designed and animated web components and special experiences for Namogoo's various products.

2019 - 2020 — **Frontend Developer & Interaction Designer** — Freelance
- I've harnessed my expertise in JavaScript and motion design to craft a diverse range of captivating interactive interfaces, seamless interactions, and engaging micro-interactions.

2018 - 2020 — **Interaction Design & Animation Lecturer** — ORT Colleges, Jerusalem
- Lecturing interaction design & animation course for year B students in college
- Guiding students with their final projects through the entire design process: project capacity and time planning, design steps, execution of design and animation solutions

2015 - 2017 — **2D\3D Animator, Motion Designer** — Films for A Change, Tel Aviv
- Created motion design pieces for companies and organizations to convey their message using strong communication design skills to create impactful content

2012 - 2015 — **2D\3D Animator, Motion Designer** — Israeli Air Force
- Created graphic packaging and animations for instruction and promotional films, Including logos, posters, rollers, cards and supers
- Collaborate with editors, producers and designers to resolve technical and design issues
